

# Jeremiah Kirkland

## Senior Vice President Good Samaritan Region

Jeremiah Kirkland brings over 24 years of experience in health care leadership. He joined TriHealth in 2018 following his tenure at Strong Memorial Hospital, part of the University of Rochester Medical Center, where he served from 2015 to 2018. Prior to that, he spent 14 years at Rochester General Hospital, the flagship facility of the Rochester Regional Health System in New York.

Throughout his career, Jeremiah has held senior administrative roles focused on strategic planning and operational management across clinical, surgical, and procedural areas. He has led and supported a wide range of service lines, including women's and children's health, orthopedics, primary care, gastroenterology, and hepatology.

At TriHealth, Jeremiah has served in several key leadership roles, including:

- President of Evendale Hospital, Bethesda Butler, and McCullough-Hyde Memorial Hospital
- Interim Chief Diversity Officer for the system
- Vice President of Operations for Bethesda North Hospital

He played a pivotal role in establishing a joint venture with Cincinnati Children's Fetal Care Center and led multiple acquisitions that expanded the system's reach and capabilities. One of his most impactful initiatives is the "School to Work" apprenticeship program, developed in partnership with Cincinnati Public Schools. This program provides over 50 paid positions annually to high school juniors and seniors, with a long-term goal of creating more than 1,000 career opportunities for a diverse group of students. The initiative offers meaningful pathways into healthcare careers and has secured an endowment of over \$14 million through the collaboration of TriHealth, Bethesda Inc., and CommonSpirit.

Jeremiah holds a bachelor's degree in Healthcare Administration from the State University of New York at Brockport and a master's degree in Healthcare Administration from Roberts Wesleyan College. He is board certified in healthcare management through the American College of Healthcare Executives and has completed a Business Certificate Program at Harvard University.

He is deeply committed to community engagement and works closely with clinical teams to improve population health outcomes.
