John Ward
Senior Vice President
Bethesda North Region

John Ward is the Senior Vice President of the Bethesda North Region, a role he assumed in September 2019 after serving as Chief Information Officer since November 2014. By working in concert with the Bethesda North Region's physicians and hospital presidents – who have day-to-day responsibility for the operations of our hospitals – John provides senior leadership during a time of strategic growth for the Bethesda North region, marked by major capital projects including the development of the Thomas Comprehensive Care Center and the creation of the TriHealth Heart Hospital on the Bethesda North Campus.

Under John's leadership as CIO, TriHealth achieved HIMSS Stage 7 for Hospitals and Ambulatory and received 8 consecutive HealthCares Most Wired awards. John has served in multiple other leadership roles with TriHealth. He was the Director of Health Systems Integration for TriHealth, before becoming Director of Ambulatory Systems in 2013.

John is a graduate of Georgetown College in Georgetown, Kentucky, where he earned degrees in Business Administration and Information Systems.

He is currently a member of the Board of Trustees at Georgetown College and a member of the Dean's Advisory Board or the College of Informatics at Northern Kentucky University. Ward is a member of HIMMS (Healthcare Information Management Systems Society) and CHIME (College of Healthcare Information Management Executives).
