Steve Mombach

Senior Vice President
Ambulatory Services &
Network Development

Steve Mombach is the Vice President of Ambulatory Services and Network Development for TriHealth. He has been with the system since May 2004. Steve has had (and still has) a variety of roles covering our ambulatory operations, real estate, construction and development, facility maintenance and design, urgent care and senior services. He has many unique system responsibilities covering community partnerships including Xavier University, along with various specialty physician groups.

Steve earned his undergraduate degree from George Washington University and his graduate master's degree in business from the Wharton School at the University of Pennsylvania.

His experience covers facility operations, real estate, marketing and sales strategy along with comprehensive experience in general management. Steve has worked with older adults for over twenty years, prior to TriHealth, in meeting their needs both in nursing homes and with community programming.
