

Terri Hanlon-Bremer, MSN, RN President & Chief Executive Officer TriHealth

Terri Hanlon-Bremer, MSN, RN, is TriHealth's President and Chief Executive Officer. She assumed this role in June 2026 after serving as TriHealth's Chief Operating Officer since 2022.

Under Terri's leadership, TriHealth's operational rigor has been enhanced to ensure top performance in quality, service, and financial strength. She has led system transformation through clinical redesign, achieving greater efficiency and effectiveness in care delivery. Additionally, Terri has spearheaded TriHealth's consumerism efforts, aimed at evolving care delivery to meet the changing needs of patients. Her passion for delivering the TriHealth Way signature experience to every patient has contributed to TriHealth's emergence as the region's leading and most trusted healthcare provider. Her leadership in driving TriHealth's population health initiatives continues to redefine healthcare delivery by improving patient outcomes and bending the cost curve.

A registered nurse with a master's degree in Nursing Administration, Terri has more than 30 years of healthcare experience. She started her career in 1987 as a cardiac nurse and joined TriHealth's leadership team in 2007. Since then, she has assumed roles of increasing leadership responsibilities, including leading TriHealth's population health strategy and overseeing its successful COVID vaccination program.

Through balanced and thoughtful leadership, Terri's ability to manage complex operational and strategic initiatives across TriHealth's expansive delivery system has resulted in improved patient outcomes, industry-leading team member and physician engagement, and enhanced customer satisfaction.

Terri has received regional and national awards and recognition for her achievements at TriHealth, including Modern Healthcare's Top 25 Innovators Award in 2022, and is a sought-after national voice on TriHealth's population health journey. She is a member of Class 48 of the Cincinnati Regional Chamber's Leadership Cincinnati program, the American College of Healthcare Executives, and the Mason Port Authority Board. Since 2022, Terri has served on the Board of Directors of the Cincinnati chapter of the American Heart Association and served as the Chair of the 2026 Cincinnati Heart Mini-Marathon & Walk. She formerly served as Chair of the Cincinnati chapter of the American Diabetes Association, and as a mentor with Big Brothers Big Sisters of Greater Cincinnati. Terri dedicates her time and leadership skills to several community initiatives, including Girls on the Run, as well as her church, further demonstrating her commitment to service and leadership.
