Biannual News from Good Samaritan Hospital Foundation • Spring 2017

Family Fun

Dear Foundation Family:

"Come one, come all! Prepare to be amazed!" This was the invitation from The Good Samaritans to join them Under the Big Top for this year's Gala. As usual, our family stepped up and answered the call. I was amazed by your generosity toward this joyous celebration that will impact the lives of the people Good Samaritan serves each and every day.

In this issue you will see family photos from the Gala, all of which bring one word to mind: fun! We enjoyed cocktails and dinner, played skee ball, ate cotton candy, visited a palm reader, and kicked up our heels on the dance floor. All of this fun benefits the Good Samaritan Hospital Faculty Medical Center for Pregnancy and Women's Health, along with annual support of the Good Samaritan Free Health Center and the Medical Education Research Fund.

Beginning on Page 11 we recognize those individuals, families, organizations, and businesses who are members of our Lifetime Giving Societies. We appreciate your leadership and commitment to Good Samaritan Hospital Foundation. You are an inspiration to us all.

To each and every family member, thank you for all you do to make a difference in the lives of our patients, their families, our future physicians and nurses, and our community as a whole. No matter the size, every gift and act of service matters. It is your impact that, as they say Under the Big Top, is truly death-defying, astonishing, and spectacular!

Gratefully,

A handwritten signature in black ink that reads "Mary L. Rafferty". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Charitable Gift Annuities: THE TIME IS NOW

*Kelly Rowland,
Director of Development,
Good Samaritan Hospital
Foundation*

Lower interest rates can be a bitter pill for individuals on fixed incomes. Is there a better alternative to traditional CDs or bonds? Certain types of gift vehicles actually do generate a higher fixed income. Charitable gift annuities currently offer a higher rate of return than almost all conservative investments. And they are NEVER subject to market fluctuations.

Age	Rate
60	4.4%
65	4.7%
70	5.1%
75	5.8%
78	6.2%
81	7.0%

What Is a Charitable Gift Annuity?

A charitable gift annuity is a way to make a gift to your favorite charity and still receive an income for yourself or others. It is a contract – not a trust – under which a charity, in return for a transfer of cash or marketable securities, agrees to pay a fixed sum of money for a period measured by one or two lives.

Payments from a charitable gift annuity are fixed from the outset and calculated by the age(s) of the annuitant(s). Payment size will neither increase nor decrease, no matter what happens to interest rates or the stock market. In addition, you will be entitled to an immediate income tax charitable deduction. Unlike other investment returns, a portion of your payment will be tax-free.

Who Might Benefit from a Gift Annuity?

Most gift annuity donors are retired, want to increase their cash flow, seek the security of guaranteed payments, and would like to save on taxes. A charitable gift annuity could be right for people in any of the following circumstances:

- The interest rates on their CDs and other fixed-income investments have declined, and they would like to increase their cash flow.
- They own appreciated stock or mutual fund shares and have considered selling some of the shares and reinvesting the proceeds to generate more income, but they have hesitated because they don't want to pay tax on the capital gain.
- They would like to count on fixed payments, which are unaffected by interest rates and stock prices and which they cannot outlive.
- They want to assure continuation of payments to a surviving spouse without the delay of probate proceedings.
- They would like to provide financial assistance to an elderly parent, a sibling, or other person in a tax-advantaged manner.

What Are Deferred Gift Annuities?

Deferred gift annuity donors are often not retired, but are looking for secured payments in the future during retirement. With a deferred payment gift annuity, the annuitant(s) start(s) receiving payments at a future time, the date chosen by the donor, which must be more than one year after the date of the contribution. As with immediate gift annuities, payments can be made monthly, quarterly, semi-annually or annually.

For more information on how you can establish a charitable gift annuity and receive a free illustration, please contact Kelly Rowland at 513.862.3787 or Kelly_Rowland@trihealth.com.

CALLED TO HEAL AND TO SERVE

The primary role of a physician is to be a healer. For the Medical and Dental Staff at Good Samaritan Hospital, this role expands beyond the exam room or surgical suite. It also means giving back to the hospital where they practice in order to improve the quality of care, educate future physicians and nurses, and help the less fortunate.

The Medical and Dental Staff, which is comprised of all physicians and dentists who practice at Good Samaritan, has a long history of philanthropy. "We have always been very good at supporting the Foundation in any way we are able," says Dr. Margaret LeMasters, who is in her second year serving as President of the Medical and Dental Staff. Every year, the Staff donates funds from their membership dues to the Foundation to support a wide array of efforts.

The Staff's support of Good Samaritan has been so generous over the years that in 2016 they entered the Sister Anthony O'Connell Circle of Compassion for lifetime giving of more than \$1 million. Their direct contributions and support of The Good Samaritans' Gala have created positive impacts for areas such as the hospital's greatest needs, medical education, the Team Member Emergency Fund, library services, Good Samaritan College of Nursing and Health Science, medical mission trips, community outreach, the Good Samaritan Free Health Center, and more.

"We feel strongly about these gifts and our ability to help others," says Dr. LeMasters. "As a group, we are working to make Good Samaritan the best hospital and TriHealth the best hospital system in the tristate. By giving back to our hospital and system, it shows that we really do care about achieving that. We want a great experience for our patients, staff, and all the doctors who practice here at Good Sam."

As the Medical and Dental Staff is continually expanding their impact on medical education and patient care, they are embarking on a new initiative. In addition to their ongoing support, the Executive Committee voted in December, 2016 to approve a \$100,000 pledge to create the Good Samaritan Hospital Medical and Dental Staff Scholarship. This scholarship will enable Good Samaritan caregivers to further their education so they can continue the legacy of high quality, compassionate care for all.

The Foundation thanks the Medical and Dental Staff for their commitment to and innovation in philanthropy. They exemplify that the practice of medicine is more than an occupation; it is a calling to heal and to serve in any way possible.

Radiation Oncology Renovation

Four years ago, we had a vision: to create a coordinated, multidisciplinary, patient-centered hub of compassionate cancer care that provided patients and families with the experience they want and deserve. Because of the generosity of our family of donors, Good Samaritan completed the first phase of this project and opened the Cancer Center in 2014. This Center provides Medical Oncology infusion treatment along with genetic counseling, nutrition, nurse navigation, and other services.

In 2015 we embarked on the second and final phase of our vision: Radiation Oncology. Philanthropic gifts again made this dream possible, and fundraising was completed in 2016. Now, the renovation is underway to increase our ability to treat more patients, create a multidisciplinary healing environment, and physically connect to the Cancer Center to create one destination for all cancer patients. With an estimated completion date of May, 2017, we look forward to celebrating the opening of the new Radiation Oncology Center with you, our donors, who made this achievement possible.

HIGH-RISK HEALING

Announcing the Special Care Obstetrics Unit Renovation

A high-risk pregnancy can be an especially frightening time. However, families in the region know Good Samaritan is the best place to receive care for expectant mothers and babies. Women facing certain pregnancy challenges may be admitted to the Special Care Obstetrics (SCOB) Unit at Good Sam for a matter of weeks or even months.

Our goal is to have the SCOB Unit's physical surroundings match the superior level of care provided there.

This will only be accomplished with philanthropic support. To find out how you can help, including naming opportunities, contact the Foundation at 513.862.3786 or gshfoundation@trihealth.com.

Renovation plans include:

- Conversion of all semi-private rooms to private rooms for every patient
- A family lounge complete with a dining area, kitchenette, and living room area
- Upgraded equipment, nurses station, and triage area
- Design updates including flooring, paint, and artwork

2016-2017 ANNUAL FUND CAMPAIGN

EVENT RAISES \$524,000

To Support Good Samaritan Hospital
Faculty Medical Center
For
Pregnancy And Women's Health

The Good Samaritans' 33rd Annual Gala – Under the Big Top – raised \$524,000 to benefit the Good Samaritan Hospital Faculty Medical Center for Pregnancy and Women's Health. The Faculty Medical Center is the primary outpatient training center for the Obstetrics and Gynecology Residency Program. It is also the primary provider of health care for the Medicaid, underinsured, and uninsured patients in our community who are most affected by poor birth outcomes and infant mortality. Proceeds will renovate the Faculty Medical Center to create an efficient space that will improve patient outcomes and enhance the Residency Program experience. Funds will also provide annual support to the Good Samaritan Free Health Center and Medical Education Research Fund.

More than 670 supporters of Good Samaritan Hospital Foundation "stepped right up" to celebrate this achievement at the Hyatt Regency Cincinnati, enjoying cocktails and a gourmet dinner. After dinner, guests donned blinking top hats and light-up rings to dance to the music of Lt. Dan's New Legs from Columbus. In addition to dancing, guests were treated to skee ball, face painting, a wine bottle ring toss, cotton candy, bourbon tasting, a palm reader, and more. A Green Screen Photography Booth let guests capture moments of this spectacular evening!

Generous underwriting and sponsorship donations had a significant impact on the fundraising success for this annual event. Good Samaritan Hospital Medical and Dental Staff underwrote the musical entertainment, and TriHealth, Inc. underwrote the hors d'oeuvres and dinner. Corporate sponsors included: Fifth Third Bank, Phillips Supply Co., SC Ministry Foundation, and Seven Hills Anesthesia.

The Good Samaritans is a dedicated volunteer organization of Good Samaritan Hospital Foundation and includes members with ties to the medical and business community. The Good Samaritans have raised \$7.8 million in their history. This year's Gala Chair was Donna Lambers, MD and her Co-Chair was Kristin Coppage, MD. They worked diligently with other Gala committee volunteers and with physician champion David Dhanraj, MD.
