Celebrating Our Generosity

Dear Foundation Family:

Every year, The Good Samaritans work tirelessly to bring our family together in celebration at the Gala, the most fun and fabulous night of the year. We gather to celebrate our accomplishments, our friendships, and most importantly, the impact of our collective generosity.

And what a celebration it was! In the following pages you will see the many smiling faces of our family members who attended My Big Fat Italian Gala. We dined, decorated chef's hats and aprons, were treated to gelato, and danced the night away, all in support of the creation of the Good Samaritan Hospital Concussion Management Program to better care for our area's young athletes. Proceeds will also benefit our uninsured neighbors in need at the Good Samaritan Free Health Center and advance the future of health care delivery through the Medical Education Research Fund.

This is also the time of year where we celebrate those whose lifetime commitment to Good Samaritan has placed them as leaders for our family, and you will find their names in this issue. We appreciate their dedication, as well as the dedication of every single person who gives to Good Samaritan. Regardless of the size of your gift, you make a difference in the lives of our patients, their families, and the community, every single day.

Finally, I would be remiss if I did not take this opportunity to celebrate two outstanding leaders whose years of service to our family have made an impact on our patients and community that is beyond measure. To John Prout, former TriHealth Chief Executive Officer, and Morey Cohen, former President of Good Samaritan College of Nursing and Health Science: thank you. You will always have a place with this Foundation Family.

With gratitude,

Continuing a Legacy of Leadership

JOHN PROUT

“Working with the Foundation has been a true blessing. I have been continually grateful for and inspired by the generosity of our many supporters, and am proud to be counted among them. The impact of philanthropy in achieving our mission cannot be overstated.”

In December, 2015, TriHealth Chief Executive Officer John Prout announced his retirement following 17 years of serving in TriHealth’s top post. Mr. Prout’s commitment and dedication to TriHealth’s mission of improving the health status of the people we serve was steadfast and always at the forefront of his leadership philosophy.

“It has been a privilege to serve our community by helping our patients live better,” says Mr. Prout. The community has benefited from Mr. Prout’s leadership, which guided TriHealth through unprecedented growth. While there are many highlights throughout his time as CEO, Mr. Prout says, “Working with the Foundation has been a true blessing. I have been continually grateful for and inspired by the generosity of our many supporters, and am proud to be counted among them. The impact of philanthropy in achieving our mission cannot be overstated.” Mr. Prout’s commitment continues, as he has agreed to serve on the Foundation Board of Trustees.

Continuing Mr. Prout’s mission-centered leadership is Mark Clement, who was appointed as TriHealth’s President and Chief Executive Officer beginning January 1, 2016. A Cincinnati native, Mr. Clement returns to the region following more than 23 years of experience as president or chief executive officer at major health care systems and hospitals around the country. Mr. Prout says he is confident in Mr. Clement’s ability to “take TriHealth to the next level.” However, Mr. Prout notes, “Most importantly, Mark lives our values and can deliver on our mission to help people live better.”

MARK CLEMENT

Joining Mr. Clement in leading TriHealth into the future is Gail Donovan, who began her role as Executive Vice President and Chief Operating Officer on December 1, 2015. Ms. Donovan is a highly respected health care executive with over 30 years of experience. Mr. Clement is thrilled to have Ms. Donovan as part of the TriHealth family, stating, “John Prout and I feel Gail is a dynamic, goal-oriented leader with a history of significant achievement in hospital and clinical operations.” Collectively, these three leaders are confident about TriHealth’s future and share a commitment to the values that TriHealth embodies.

GAIL DONOVAN

Claire B. Phillips: PIONEER OF FEARLESS COMPASSION

“It’s disheartening to see people who have the ability but do not give back to their community. . . find an organization that has a need, that meets your interest or that does more good. That’s what charity’s all about.”

Along with the entire Greater Cincinnati community, Good Samaritan Hospital Foundation grieves the loss and celebrates the life of Claire B. Phillips, who passed away on March 5, 2016, just a few weeks shy of her 91st birthday. To say Mrs. Phillips was a woman ahead of her time is an understatement; she was a pioneer in both business and philanthropy, and there are countless individuals whose lives have been saved and made better because of the generosity of Mrs. Phillips and her family.

Mrs. Phillips has often been described as a forward-thinking woman of action. In the 1940s she was one of the first “medical artists,” a new concept in physician education at the time. A few years later, when she and her husband, Charles, founded Phillips Supply Co., Mrs. Phillips did whatever job was needed, including working in the warehouse. When the company needed a pilot to transport products, Mrs. Phillips did not wait to find one. Instead, she earned her pilot’s license and flew the company plane herself for 43 years. Upon her husband’s death, Mrs. Phillips again did not wait for someone else to make decisions for her. She continued to be involved with the family business as well as continued the commitment to philanthropy she and Charles shared.

Of the many organizations that Mrs. Phillips continued to support on behalf of Charles and their family, Good Samaritan Hospital has been a consistent and most grateful beneficiary. Mrs. Phillips once said, “I focus

on the ones [organizations] I feel will help the most people.” Through her generosity at Good Sam, she has helped an immeasurable number of people. Always committed to the hospital’s greatest needs, Mrs. Phillips and her family have made multiple major initiatives possible:

- Minimally Invasive Training Center
- TriHealth Cancer Center
- Robotics Program (da Vinci and da Vinci S surgical systems)
- Medical/Surgical Intensive Care Unit Family Lounge
- Emergency Department
- Cardiac Services

As a member of the Sister Anthony O’Connell Lifetime Giving Society, Mrs. Phillips and her family are some of the most benevolent supporters in the history of Good Samaritan Hospital. Mrs. Phillips’s charitable philosophy was that everyone should do their part. She once told Mary Rafferty, “It’s disheartening to see people who have the ability but do not give back to their community. . . find an organization that has a need, that meets your interest or that does more good. That’s what charity’s all about. You believe in the organization and you believe it will do what’s best.” Her vivacious spirit, can-do attitude, and fierce commitment to philanthropy will impact the community for generations, and hopefully inspire others to do the same.

SC MINISTRY FOUNDATION: THE SISTER OF CHARITY SPIRIT SHINES ON

Eve Streicher, Sydney Hoffman, Karen White, Principal Seton High School, Kathy Ciarla, President Seton High School, Isabella Timon, and Sister Sally Duffy, SC, SC Ministry Foundation

“I am 100% more confident in myself after this program. I think I’ll be a step ahead of other students at college next year when I study to become a nurse practitioner, as well as a step ahead when I enter the working world,” says Isabella Timon, a senior at Seton High School. Isabella is recalling her 2015 summer job working as a TriHealth employee with the Seton/TriHealth Summer Youth Employment Program.

Now entering its fifteenth year, the TriHealth/Seton Summer Employment Program is made possible by a generous grant from SC Ministry Foundation, coordinated through the Good Samaritan Hospital Foundation. The program honors the tradition of excellence in health care and education established by the Sisters of Charity of Cincinnati more than a century ago when they founded Good Samaritan Hospital and Seton High School in the 1850s. This unique collaborative effort provides an opportunity for mission fulfillment for all involved. Seton High School students have the opportunity to gain real-world experience as an employee at Good Samaritan Hospital and other TriHealth facilities. TriHealth departments benefit from additional assistance during the summer months. In 2015, 46 students worked at 9 TriHealth locations during the eight-week program.

The students, who must apply to be part of the program, are matched with mentors in various TriHealth locations and departments and have job descriptions and expectations they must fulfill. Their mentors help the young women grow as individuals, as professionals, and as the next generation of health care workers in our community.

When asked what she learned from her summer job at TriHealth, Isabella’s first reaction is, “There’s so much!” Isabella worked in the logistics department, where she delivered equipment and supplies

throughout the hospital. Isabella says she learned “how to interact with patients; how to be professional and treat them with respect, and try to make their day better.”

What set the experience apart for Isabella were the opportunities provided by her mentor to shadow other employees who worked in areas of interest to her. Isabella shadowed a nurse practitioner in the Intensive Care Unit, who inspired Isabella to become a nurse practitioner herself. Another highlight was being able to watch an open heart surgery, which Isabella shared was, “an opportunity I never thought I would have.” Now, Isabella’s senior project at Seton is assisting with the planning and marketing of the 2016 program to encourage other students to participate.

The program is clearly a benefit for the students, but it is also an asset to the mentors and departments throughout TriHealth. When listening to the experiences of students and mentors, stories of skill development, personal growth, and inspiration for career paths illustrate the value of this collaboration. SC Ministry Foundation’s longstanding support of this program highlights where the histories and missions of these organizations intersect, and demonstrates that working toward this common purpose builds a brighter future for all.

BUILDING OUR FUTURE AS WE HONOR OUR PAST

The 2016 Annual Fund Campaign is underway at Good Samaritan College. Donations received through the Annual Campaign provide valuable support for technology advancements, educational programs, and student scholarships. The generous support of alumni and friends allow Good Samaritan College to continue its tradition of excellence by providing students with a quality education in a unique Catholic and hospital environment.

Dr. James A. Hauschildt, EdD, MA, BSN has been appointed as the new President of Good Samaritan College of Nursing and Health Science. Jim comes to us from Kansas City, Missouri, where he served as President and Chief Academic Officer at Saint Luke's College of Health Sciences. "I am really excited to be here," Dr. Hauschildt says. "It is evident to me already that at GSC we live our mission through the professional education and services we provide our students."

To learn more about how you can support GSC, contact Kelly Vance at 513.862.3742 or kelly_vance@trihealth.com.

Together We Triumph

The generous employees of TriHealth have donated nearly \$80,000 of support since July 2015 for areas throughout Good Samaritan Hospital, including Good Samaritan Free Health Center. Because of this generosity we are able to make life-changing, positive impacts on our coworkers, patients, and the community.

At TriHealth we are a team who all contribute to the network of caring that exists to improve the lives of those around us. We would like to extend a very heartfelt thank you to our employees for making a difference through the work you do every day!

A COMMITMENT THAT LASTS FOREVER

When Morey and Cindy Cohen moved to Cincinnati in 1989 from upstate New York with their three daughters – fourteen month old twins and a newborn – they did not envision living here for 26 years. However, as Morey remarks, “There’s something unique about the atmosphere, the environment, and about the people” at Good Samaritan College that made both the school and Cincinnati home. Cindy shares those sentiments, recalling, “Everyone was so wonderful and so welcoming; they became our Cincinnati family.” This began Morey’s 26 year tenure as President of Good Samaritan College of Nursing and Health Science, which recently came to an end this past December upon his retirement.

During his time at GSC, Morey led the College through periods of change, especially in regard to technology and the evolving education and health care environments. “This continued to make the job always interesting, challenging, and worthwhile,” Morey notes. Among these accomplishments include the re-founding of the nursing school as an independent, degree granting college in 2001, and the addition of the Bachelor of Science in Nursing Program in 2012. While Morey states the re-founding of the College was one of the highlights of his tenure, he is quick to emphasize that it was the team effort that made the experience memorable: “It took all of us, our GSC family, to do that.”

Morey and Cindy’s commitment to GSC is evident not only through Morey’s leadership, but also through their financial gifts to the College. As first generation college graduates in their families, Morey and Cindy are grateful for the opportunities they had and want to extend the same to others. When this passion for providing opportunities for higher education was combined with their desire to make a large, lasting impact on Good Samaritan College, Morey and Cindy began directing their annual gifts toward building their endowment.

Both Morey and Cindy remark that when people hear the word “endowment” they typically envision large, one-time gifts. However, this does not need to be the case. “If you plan and do this over a series

of years, it adds up. It’s possible for anybody to do,” Cindy says. Morey echoes this statement when he says, “The message we want to give is that it is very possible for anyone to do this. You have to make the commitment that your generosity will build over the years, and then it lasts forever. Then you have a legacy you’re leaving behind to do something important for those who will benefit from it in the future.”

While Morey’s tenure as President of Good Samaritan College has come to a close, it is clear that the influence of his leadership and of his and Cindy’s generosity will endure. The gifts made by colleagues, friends, and family to the endowment in Morey’s honor upon his retirement are a testament to this, and both Morey and Cindy say they are “deeply humbled and grateful for this recognition and support.” As their endowment to GSC continues to grow, so too does their impact on the students, alumni, faculty, staff, and the College as whole. Morey and Cindy Cohen exemplify that generous and steadfast commitment to a worthy cause creates an impact that will last forever.

GOOD SAMARITAN GUILD AWARDS \$137,000 TO SUPPORT HOSPITAL

Earlier in this fiscal year, Good Samaritan Hospital Guild awarded more than \$137,000 to support hospital projects and programs through their annual disbursement process. Funds distributed were raised through special sales conducted throughout the year geared toward employee participation. The Guild's largest fundraiser, however, lies in the profit earned from the annual revenue from the two Gift Shops that are located in the Dixmyth Lobby and Clifton Lobby at Good Samaritan Hospital.

Fran Conners, president of Good Samaritan Hospital Guild was proud to announce the awards at the Guild Fall Membership Meeting.

GUILD CELEBRATES FAT TUESDAY

Good Samaritan Hospital Guild celebrated Fat Tuesday on February 9th by making sundaes, with all the toppings, for employees and visitors alike on all three shifts.

More than 2,500 sundaes were dipped using 45 gallons of vanilla, 24 gallons of chocolate and 21 gallons of strawberry ice cream. The Guild started this tradition many decades ago as a "thank-you" to all those who support the Guild's annual fundraising efforts.

**EVENT RAISES \$500,000 TO SUPPORT DEVELOPMENT
OF GOOD SAMARITAN HOSPITAL CONCUSSION MANAGEMENT PROGRAM**

The Good Samaritans' 32nd Annual Gala – My Big Fat Italian Gala – raised \$500,000 to benefit the development of the Good Samaritan Hospital Concussion Management Program. Proceeds will enable the purchase of the most advanced, state-of-the-art equipment to perform nationally recognized concussion testing methods to increase diagnostic capability for local youth. The program will serve athletes in elementary school, high school, select sports, and college. The event will also support Good Samaritan Free Health Center and the Medical Education Research Fund.

More than 630 supporters of Good Samaritan Hospital Foundation gathered at the Hyatt Regency, Cincinnati, in the Regency Ballroom. Guests enjoyed a cocktail reception followed by a gourmet Italian dinner. Following dinner, guests donned blinking hats, sunglasses, bracelets, and rings to dance the night away to the music of The Number One Party Band from Nashville. When taking a rest from the dance floor, guests were treated to a limonchello bar, late night pizza, and a gelato bar, along with activities such as Create Your Own Chef Hat and Apron, Palm Readers, and a Green Screen Photography Booth to commemorate the evening.

The Good Samaritans is a dedicated volunteer organization of Good Samaritan Hospital Foundation and includes members with ties to the medical and business community. The Good Samaritans have raised \$7.3 million in their history. This year's Gala Chairman was Cindy Rodriguez and her Co-Chairman was Sarah Klein. They worked diligently with other Gala committee volunteers and with physician champion Dr. Emily Dixon.

GOOD SAMARITAN HOSPITAL FOUNDATION INTRODUCES NEW BOARD MEMBER

Arlene Koth

Arlene Koth joins the Foundation Board of Trustees 21 years after her first encounter with Good Sam when she gave birth to her daughter. "I'll never forget my nurse, because her name was Arlene also (and I have a photo of her holding my daughter in my daughter's baby album). I knew then that the folks at Good Sam cared not just about getting people in and out of the hospital, but making sure they were well taken care of while they were there," Arlene says.

Currently, Arlene is Vice President of Administration and Human Resources for TriVersity Construction, where she is instrumental in shaping business strategy to determine how best to use the company's diverse talent base to provide exceptional and consistent customer experiences. Prior to TriVersity, Arlene was Executive Vice President and Chief Operating Officer for Downtown Cincinnati Inc., and also served as Director of Community Relations at Cincinnati Works. Arlene received her BA in communications from the Union Institute and the University of Cincinnati.

As someone who values giving back to the community, Arlene is excited to join the Foundation Board and says she is looking forward to "the opportunity to help fund some of the initiatives and services provided... especially as it relates to helping those who are less fortunate."

"Arlene is looking forward to "the opportunity to help fund some of the initiatives and services provided... especially as it relates to helping those who are less fortunate."

Community Support for Good Samaritan

Last August, The Clifton Town Meeting hosted their third annual golf outing at Avon Fields Golf Course. The monies raised were donated to the TriHealth Cancer Institute at Good Samaritan Hospital.

Pictured are representatives from The Clifton Town Meeting, John Whedon, Joe Huber and Tom Dwyer presenting the proceeds check to Jamie Easterling, executive director of Hospital Operations at Good Samaritan Hospital.
