

Your safety and care matter to us.

TriHealth virtual nurses are part of your care team and help respond quickly to your needs.

Your room is equipped with a virtual care system. A licensed virtual nurse may check on you by video or audio during your stay to answer questions and help keep you safe.

Respecting Your Privacy

Please ask your care team if you have questions about privacy options.

Please know

- The video monitoring system in your room does **not** record you.
- Our virtual nurses do not replace your bedside care team.
- Your care decisions are **always** made by your bedside care team.
