

**LeAnna Matsey, MHS, OTR/L, CBIS**, is a Board-Certified Physical Rehabilitation (BCPR) Occupational Therapist (OT) at TriHealth Rehabilitation Hospital in Cincinnati, Ohio. She graduated in 2004 from Indiana University (IU) and received a Master of Health Sciences degree (MHS) with a concentration in academia from the University of Indianapolis in 2012. LeAnna was an adjunct professor in the IU OT program located in Indianapolis. She is a certified brain injury specialist (CBIS) and has worked with survivors of stroke and brain injury for 20 years.

LeAnna is passionate to teach and to facilitate optimal recovery for her patients as well as develop new clinicians' skills set. She is TriHealth Rehab's neuro vision champion and educator on the Bioness Integrated Therapy System (BITS). LeAnna has been a presenter for Select Medical Corporation's annual stroke continuing education course for therapists and nurses.

In addition to working in an inpatient rehabilitation setting LeAnna worked at Good Samaritan Hospital for seven years of her career. Beyond providing direct patient care, she has also served on the TriState Brain Aneurysm Support Group (TSBASG) Steering Committee to act a liaison from TriHealth to the community. LeAnna enjoys attending the annual TSBASG walk and the Cincinnati Reds Strike Out Stroke Games.
