

## **Colleen Delehanty, M.A., CCC-SLP**

Colleen Delehanty, M.A., CCC-SLP, is a Senior Speech-Language Pathologist with 25 years of dedicated service at TriHealth. She earned her master's degree in Speech-Language Pathology from the University of Cincinnati in 1994 and began her career at Good Samaritan Hospital before transitioning to Bethesda North.

Colleen's clinical background spans the full continuum of care, including acute and critical care, acute rehabilitation, skilled nursing, outpatient services, and home health. Promoted to Senior SLP in 2018, she has played a key role in expanding dysphagia services across the system by implementing the TIMS MBSS recording

system and establishing the FEES program at Bethesda North.

She has contributed extensively to organizational initiatives, serving on the Stroke Committee, supporting the adoption of the Yale Dysphagia Screen, representing Rehab Services in Joint Commission compliance and survey processes, and assisting with stroke education efforts.

Colleen has a strong professional interest in the evaluation and treatment of neurologically impaired patients. She is committed to optimizing care in the acute setting and ensuring patients and caregivers are well-prepared for each transition in the continuum of care.
