

Audiology and Hearing Aid Services

TriHealth Audiology is a full-service audiology practice caring for the Greater Cincinnati community and beyond, from infant to adult. In addition to evaluations of the complete auditory system, our mission is to compassionately and confidently provide holistic treatment plans specific to a patient's unique hearing needs. Our audiologists also see pediatric patients who need further testing for speech therapy, referred well-child checks or failed school screenings.

All TriHealth audiologists have earned the Certificate of Clinical Competence (CCC-A) from the American Speech-Language-Hearing Association.
