

TriHealth Orthopedic & Sports Institute

TriHealth Physician Partners Musculoskeletal Division

A broken bone, arthritis, sprains, strains or other musculoskeletal conditions can cause minor, significant and even debilitating pain. Our team of experts uses advanced treatments, including surgical and nonsurgical options. Our network of specialists includes the largest pain management and physiatry (physical medicine and rehabilitation) medical groups in Cincinnati. TriHealth's Gold Standard for Orthopedic care has earned local and national recognition by providing efficient, high-quality care and ensuring that patients receive the right care at the right time.

TriHealth also partners with Beacon Orthopaedics to provide an even larger team to meet your orthopedic needs. You can count on seamless, multi-specialty care to help you recover quickly and improve your quality of life.
