

TriHealth Heart & Vascular Institute

The TriHealth Heart & Vascular Institute consistently beats the average national time to treatment in the event of an acute heart attack. We have the most experienced team of surgeons in the region, performing almost twice as many open-heart surgeries than any other regional health system.

As Cincinnati's leading heart and vascular program, we focus on providing the least invasive option for each patient for optimal outcomes with the quickest recovery time. Our highly regarded cardiologists and surgeons perform Cincinnati's widest range of cardiac procedures at multiple locations across the Tri-State.

Our alliance with Cleveland Clinic Heart, Vascular & Thoracic Institute is a commitment to sharing best practices, new treatments and therapies to achieve the best possible outcomes for heart patients across our region.

Cardiovascular and Thoracic Surgery

Unbeatable Heart Care

Ohio's ONLY system in alliance with Cleveland Clinic Heart, Vascular & Thoracic Institute

Cardiovascular and Thoracic Surgery Practice Focus

- Atrial fibrillation surgical procedures, including mini-maze, convergent procedure and surgical left atrial appendage management
- Coronary artery bypass surgery
- Heart valve repair/replacement
- LVAD
- Robotic-assisted cardiac surgery
- Robotic-assisted esophageal and lung cancer surgery
- Surgical aortic aneurysm repair
- Surgical Impella/ECMO

How to Refer
