PGY1 Pharmacy Residency Program Cincinnati, Ohio

Program description

The pharmacy residency program at Good Samaritan Hospital is a 12-month curriculum designed to provide residents the opportunity to garner experiences beyond the entry-level education of a doctor of pharmacy degree. The calendar year is composed of required and elective rotations, as well as longitudinal experiences. Residents will work with the residency program director to establish an individualized learning plan consistent with his or her career goals. Additional opportunities for research, teaching and professional travel are in place.

Residency program information

The Postgraduate Year One (PGY1) Pharmacy Residency Program conducted by Good Samaritan Hospital in Cincinnati, Ohio, is fully accredited by the American Society of Health-System Pharmacists (ASHP).

Duration: 12 months

Number of positions: 2

Estimated stipend per year: \$46,570 plus benefits

Program start date: July 1 of each year

Resident activities include but are not limited to:

- Interdisciplinary rounds
- In-services and journal clubs
- Precepting pharmacy students
- Major research project
- Travel to national and regional conferences
- Continuing education presentations
- Participation on P&T and other committees
- MUE and new drug reviews
- University of Cincinnati teaching certificate program
- Emergency medical response

Preparation of a manuscript for the major research project suitable for publication is required for completion of the residency program.

Residents will be awarded a certificate upon successful completion of program requirements.

Applicant information

Applicants for the PGY1 Program at Good Samaritan Hospital must possess a doctor of pharmacy (PharmD) degree from an Accreditation Council for Pharmacy Education (ACPE) accredited college of pharmacy as well as be eligible for licensure in the state of Ohio.

Good Samaritan Hospital participates in the resident matching program and the Pharmacy Online Residency Centralized Application Service (PhORCAS). Applicants must abide by all rules and regulations of the resident matching program and PhORCAS. This residency site agrees that no person at this site will solicit, accept or use any ranking-related information from any residency applicant.

Resident matching program code: 241513

Candidates for our program are required to submit the following documents:

- Curriculum vitae
- Official transcripts
- Three letters of recommendation
- Letter of intent

Submit all requirements to PhORCAS by January 8 of each year. Potential candidates will be invited for an on-site interview.

Early Commit Process

Good Samaritan offers an early-commit process for PGY1 residents to the PGY2 Internal Medicine program. PGY1 residents in good standing can apply for early commitment and be informed of the program's decision before attending ASHP MCM.
